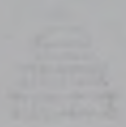
Souvenir of the 50th Anniversary

And

Golden Jubilee

Held at Wyoming, Iowa

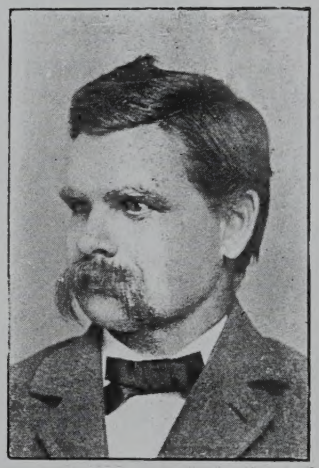
August 6, 7, 8



CAPITOL BOND®

25% COTTON

INTRODUCTION.



D. A. WHITE.

Fifty years ago our city saw the first dawn of morning, and as she celebrates this Anniversary and Jubilee in her history we deem it proper and quite fitting to issue this souvenir as a token of remembrance of the old home and this memorable event. Of those who have given us a place that we may call home, many have passed to the Great Beyond, while few are lingering in our midst waiting for the final summons.

This issue contains profiles of men who had the making of the town in their hand, and those who help make the town of to-day, also a number of pioneers, together with some of the elegant homes of which we can justly feel proud.

Long may these pages be saved and handed down to future posterity.

Very truly yours,

WHITE & GARRISON.
